

The Merton Primary School

To be the best we can be.

Weekly Learning Review - Year R

Week Beginning 12.10.2020

This week:

- We have continued to practise the sounds s,a,t,p,i,n,m,d and apply them in reading.
- We have compared identical objects in maths, using the words: same/equal, fewer and more.
- We have talked about our 5 senses and enjoyed carrying out small investigations to use each of the senses.
- Created some wonderful Autumn art by mixing paint colours.
- Made senses headbands.

Reminders:

- * **PE**– There will be no PE the first week back after half term - children will need to come in school uniform.
- * **Phonics**– When practising with your child please use the laminated sound flashcards without the picture and caption on to ensure that they are learning the sound itself rather than just memorising the caption action.
- * **Book Bags**– please can children bring *reading books* and *phonics folders* into school each day to enable us to listen to them read, change books and quarantine them before being handed back out after a few days.

Next Week we will be:

- ⇒ Reading Room on the Broom by Julia Donaldson and making a rhyming potion.
- ⇒ Comparing non-identical objects using the vocabulary using the words: same/equal, fewer and more.
- ⇒ Learning the sounds - g, o, c, k
- ⇒ Exploring shadows and making shadow puppets.
- ⇒ Having our first school photo.
